

**REGISTRATION:
2011 PPP Annual Meeting & Council Conversations**

This form must be submitted in order to authorize representatives from your planned giving council to participate in the 2011 Annual Meeting and Council Conversation webinars.

Deadline: To participate in the Annual Meeting on July 14, please submit this form with payment by **July 11**.

General Information:

Each council registered for the Annual Meeting and Council Conversations series may invite as many participants as they wish to attend any session. We especially encourage council presidents and presidents-elect to participate, as well as other board members or leaders in-training. Participants are responsible for sharing information about PPP plans, programs and services with all council members following the Annual Meeting. We recommend that council leaders gather at a single site for the webinars, to facilitate discussion and delegation of follow-up activities. However, leaders may log-in from separate sites if necessary.

The president of each council that has registered will receive a log-in link 24 hours prior to each meeting. The president is responsible for forwarding this link to other council leaders who would like to attend. Those leaders must use the log-in link to submit their personal information before they connect to the webinar(s). A separate log-in is required for each session.

About Voting:

Planned giving councils are responsible for electing members of the PPP Board of Directors, approving changes to the organization's bylaws, and for voting on other organizational issues that arise from time to time.

Voting representation depends on a council's size:

- Councils with 150 or fewer members are represented by one vote at the Annual Meeting
- Councils with more than 150 members are represented by two votes.

Instructions for voting during the Annual Meeting webinar will be provided with the log-in link for that webinar.

Please retain a copy of this form for your records. **Please print or type.**

Council _____

Council President

Name: _____

Phone: _____ E- mail: _____

Are you a member of PPP? Yes No
