

COUNCIL PRESIDENTS LISTSERV

PPP-PRES is the electronic mail forum for planned giving council presidents. PPP-PRES is a service provided by the Partnership for Philanthropic Planning (the Partnership) via the Internet. Partnership board members and several staff members are also subscribed to the list.

PPP-PRES is an unmoderated forum for the exchange of information of interest to council leaders. Your messages will not be reviewed or edited in any way before they are posted to the list. Subjects for discussion include but are not limited to: council administration, council programming, Partnership membership policies and procedures, Partnership governance, and national programs and services.

PPP-PRES is a "closed" list; new council presidents are subscribed to the list by an administrator called a "listowner." If you have questions or problems regarding the list, please contact Barbara Yeager, Director of Operations, at <mailto:byeager@pppnet.org> or (317)269-6274.
