

Scholarship Partner

\$2,000 for each scholarship

One, two, or three NCPG conference scholarships awarded each year

PGCN consistently maintains 100 or more members, though in a market area like ours there are a number of charitable organizations that do not have the resources to take advantage of all that PGCN and NCPG have to offer. As a Scholarship Partner with PGCN, your company or organization provides the financial support that permits one PGCN member to attend the NCPG annual conference and thereby solidifies the educational benefit to that individual and the organization that employs him/her. PGCN will select a deserving member based on participation and financial need for each sponsored scholarship.

In return for providing \$2,000 in annual financial support to the Planned Giving Council of Nebraska, each Scholarship Partner (limited to three annually) receives the following:

- Logo/listing on meeting announcements and calendar
- No-host dinner/lunch with speaker for the June meeting
- In-meeting briefing and promotion of underwriters business/services
- Presentation of the award to the member recipient at our June meeting
- Complimentary meeting admission for individual presenting the award
- Option: Host that meeting at your facilities and/or provide meeting refreshments; host the dinner/lunch with speaker for the June meeting

\$1,000 for each council meeting

Up to 10 meetings may be underwritten each year

As a Meeting Underwriter with PGCN, your company or organization provides essential financial support that permits us to bring in prominent experts from around the country, covering travel expenses and honoraria.

In return for providing \$1,000 in annual financial support to the Planned Giving Council of Nebraska, Meeting Underwriters receive:

- Logo/listing on the meeting announcement and programming calendar during the year
