

2010 PPP Leadership Assembly

This form must be submitted in order to authorize representatives from your planned giving council to attend and vote at the 2010 Leadership Assembly.

General Information:

In addition to voting representative(s), each council may send up to two non-voting attendees to the Assembly. We encourage council presidents and presidents-elect to attend, as well as other board members or leaders in-training. Attendees are responsible for sharing information about PPP plans, programs and services with all council members as quickly as possible following the Assembly.

About Voting:

Planned giving councils are responsible for electing members of the PPP Board of Directors, approving changes to the organization's bylaws, and for voting on other organizational issues that arise from time to time.

Voting representation depends on a council's size:

- Councils with 150 or fewer members are represented by one vote at the Assembly
Councils with more than 150 members are represented by two votes.

Please provide the following information for each person who will attend the 2010 Leadership Assembly. Retain a copy of all forms for your records. Please print or type.
