

NCPG Standards and Guidelines
Organizational Users

The following organizations have indicated to NCPG that they apply the *Guidelines for Counting and Report Charitable Gifts* and/or the *Valuations Standards for Charitable Planned Gifts*. In some cases the board has specifically endorsed this practice, and in others, it is a working standard without specific board endorsement. Contact information for NCPG members at most organizations can be located in the NCPG Online Directory in the Member Directory/Service section at www.ncpg.org. Web addresses are provided for organizations not listed in the NCPG directory. If you are not able to locate a contact in the directory, request assistance at ncpg@ncpg.org.

To add an organization to this list, contact Barbara Yeager at byeager@ncpg.org.

Standard		Organization	State	Type of Organization
Counting/ Reporting	Valuation			
•	•	Rice University	TX	Higher Education
